

## “Adelchi Fabrocini” Award 2016

Applications are invited for the third edition of the “Adelchi Fabrocini” award.

The amount of the prize is of €2000, including applicable taxes. Participation is open to those who have defended a M.S. or Ph.D. thesis in theoretical Nuclear Physics or Many-Body Physics between June 1st, 2014, and March 1st, 2016. The thesis should be written in English or Italian.

The application form and related attachments should be sent, **via electronic mail only**, to

omar.benhar@roma1.infn.it

no later than March 13, 2016.

The following documentation must be attached to the the application.

1. A pdf or ps copy of the thesis.
2. A one-page abstract of the thesis, written in English or Italian.
3. Two reference letters, written in English or Italian.

A committee, appointed by the organizers, will analyze the theses and issue a written report declaring the winner. The judgment of the committee is unappealable.

The prize will be presented during a one-day meeting devoted to the discussion of Adelchi's legacy to Many-Body Physics, to be held in Marciana Marina (Isola d'Elba, Italy) on July 1st, 2016.

The organizers,

Omar Benhar, Giampaolo Cò, Stefano Fantoni and Sergio Rosati.

September 1st, 2014.

# Application Form

To be forwarded, **via e-mail only**, to

omar.benhar@roma1.infn.it

SUBJECT (mandatory): Adelchi Fabrocini Award (name and surname of the applicant)

## Applicant's details

- name and surname: .....
- place of birth: ..... (Country) .....
- date of birth (day,month,year) .. .. .
- nationality .....
- e-mail address .....

## Thesis

- type (M.S. or Ph.D.) .....
- university .....
- defense date (day,month,year) .. .. .
- supervisor(s) .....

## Attachments

1. thesis
2. abstract
3. two reference letters
